Criminological description and prevention of recidivism of youth

The object of the study is the socio-legal relationship in the field of prevention of youth recidivism.

The aim of the research is to thoroughly study and analyze issues related to the prevention of youth relapse, and to develop proposals and recommendations for improving this activity.

The scientific novelty of the research are followings:

the National Guard of the Republic of Uzbekistan and the Ministry of Internal Affairs of the Republic of Uzbekistan, respectively, with the use of modern methods and forms of spiritual and educational work in the Republican educational institution for boys and the Republican educational institution for girls. It is based on the need to educate physically strong, mentally active, educated, patriotic, selfless, broad-minded students in the spirit of devotion to the Fatherland;

has been proven to develop students' labor skills and independent creative thinking skills, to train them for the purpose of career guidance and effective organization of leisure time, to assess their interests and professional abilities, to help them choose professions that are in high demand in the labor market;

to organize the activities of crime prevention units for the prevention of juvenile delinquency and, as their powers in the field of state youth policy, to participate in activities aimed at raising the legal awareness and legal culture of young people; crime prevention among young people; identification of the causes of the offenses and the conditions that led to them; to take measures for social rehabilitation and social adaptation of young citizens; substantiated the need to define in the order of the Ministry of Internal Affairs areas of cooperation with other bodies and institutions involved in the implementation of state youth policy;

a theoretical and legal description of the concepts of "youth", "youth recidivism", "prevention of youth recurrence", taking into account the specifics of preventive measures.

Implementation of the results of research. The scientific results of this dissertation research are put into practice as follows:

from the proposal of the Cabinet of Ministers of the Republic of Uzbekistan dated October 17, 2019 No 880 "On the organization of the activities of educational institutions of the Republic of Uzbekistan" Used in the development of paragraph 10 of the Regulation "On measures" (reference of the Department of Legal Support of the Cabinet of Ministers of the Republic of Uzbekistan dated May 14, 2020 No 12 / 20-1). The proposal served to improve the work of the National Guard and the Ministry of Internal Affairs of the Republic of Uzbekistan aimed at the early prevention of youth recidivism;

the Cabinet of Ministers of the Republic of Uzbekistan dated October 17, 2019 No 880 "On the organization of the activities of educational institutions of the Republic" from the proposals on the formation of labor skills and independent creative thinking in students, their professional orientation and effective organization of leisure It was used in the development of the first part of paragraph 140 of the Regulation "On measures to improve the situation" (Reference of the Department of Legal Support of the Cabinet of Ministers of the Republic of Uzbekistan dated May 14, 2020 No 12 / 20-1). Served in the effective organization

of vocational training activities for young students during their stay in the educational institution;

from the proposals of the crime prevention units on the organization of activities for the prevention of juvenile delinquency and the definition of their powers in the field of state youth policy, approved by the Order of the Minister of Internal Affairs of the Republic of Uzbekistan dated July 12, 2017 Used in the development of paragraph 8 of paragraph 11, paragraphs 50, 54, 56, paragraphs 1-5 of paragraph 57 and paragraph 121 of the Regulation on the organization of the activities of prevention units (Ministry of Internal Affairs of the Republic of Uzbekistan) Reference of the General Directorate for Crime Prevention No. 26/7-1740 of June 16, 2020).

The structure and scope of dissertation. The dissertation consists of an introduction, three chapters, a conclusion, a list of references and appendices, and the main text of the dissertation is 143 pages.
